Graduate Assistant Application for Kidematics Instructor/Program Supervisor

Description: Kidematics operate before and afterschool programs at two locations in Monongalia County. We also operate Summer programs at one of the school locations for children in grades K-8. Kidematics uses physical activity to promote the health and well being of school aged children. Our programs teach social skills related to motivation, coping, relationships, and responsibility.

General Job Description: We are seeking individuals that can supervise and instruct at our before and after school programs. Job responsibilities include leading physical activity games and lessons, and social skill interventions to children grades K-8.

Training and Requirements (*can be completed within 30 days of date of hire):

- Experience working with children in school or community programs
- *Cleared Federal and State Background Check results (must be completed during year of application)
- *TB Test (must be negative)
- *Health Screening/Physical (must state you are healthy enough to work with children)
- *Current Child CPR and First Aid Certifications
- *Child Abuse and Neglect Training
- *Kidematics Instructor Training

Other Documents to be attached with your Application:

- Cover Letter (250 words or less explaining your decision to apply for the Kidematics GA Position)
 - Resume (Maximum 2 pages)
 - 2 Letters of Recommendation where the individual addresses your qualities working with children (Can also be used as references)
 - 3 References we can contact (Include Name, Job Title, Phone Number, Email Address, and their Relation to you)
- If you are not currently enrolled in a program in the College of Physical Activity and Sport Sciences you must include a letter from the your current department at WVU stating you are clear to hold a GA position in the College of Physical Activity and Sport Sciences to pay for school.

Return ALL Completed Materials to:

It is preferred that all materials be submitted together as one complete application packet

Dr. Valerie Wayda (Office PAS 216) or Dr. Jack Watson (Office PAS 217) in the College of Physical Activity and Sport Sciences.

Please Email or Call Meghan Phillips, Owner of Kidematics LLC, with and questions related to the application process.
Email: Phillips.meghan@gmail.com
Phone: 304-906-3612

Application Deadline: May 31, 2015
Interviews will be held for selected candidates.
